 GRABER®

**CUSTOM SHUTTERS**  
Wood shutters add warmth and beauty to your living spaces. Shutters can be customized with a wide assortment of paints, stains, options, and upgrades.

**COMPOSITE AND FAUX 2" WOOD BLINDS**  
Durable, resilient alternatives to wood, faux wood blinds and composite blinds coordinate beautifully with existing wood trim and furniture.

**MOTORIZATION AT YOUR FINGERTIPS**  
Motorized window treatment controls offer you the ultimate in simplicity, safety, and style. Adjust the light levels in your home with the touch of a button.

**Call now for your free** in-home consultation with a Graber-Certified design expert. Tailored to you.

To begin imagining the decorative possibilities for your space, make an appointment for an in-home consultation. We will present you with samples in an array of colors, styles, textiles, and functionality. Then leave the rest to us — our design professionals will measure, order, deliver, and install your custom look — one you can enjoy for years to come.

**VERTICAL AND HORIZONTAL BLINDS**  
A solution for light control in large and small windows. Choose blinds composed of fabric, sheer, aluminum, or vinyl louvers for a top-to-bottom designer look.

**SOLAR SHADES**  
These sleek, chic shades block the sun and protect against glare and UV rays while maintaining the vista outside your window.

**NATURAL SHADES**  
Eco-friendly and organic, these exotic shades are woven by hand from renewable bamboo, jute, and grasses.

**CELLULAR SHADES**  
Insulate your windows to lower energy bills year-round. Choose from three cell styles, four opacity levels, and a wide variety of fabrics and colors.

**ROMAN SHADES**  
Add volume and soft folds of exquisite fabrics to your room with Roman shades in looped, pleated, or flat styles.

**SLIDING PANELS**  
Decorative and functional for large-scale windows, sliding panels are perfect for patio doors, room dividers, or closet doors.
